Here comes
a "magical
girl" with a
fish-eating
grin!!!!

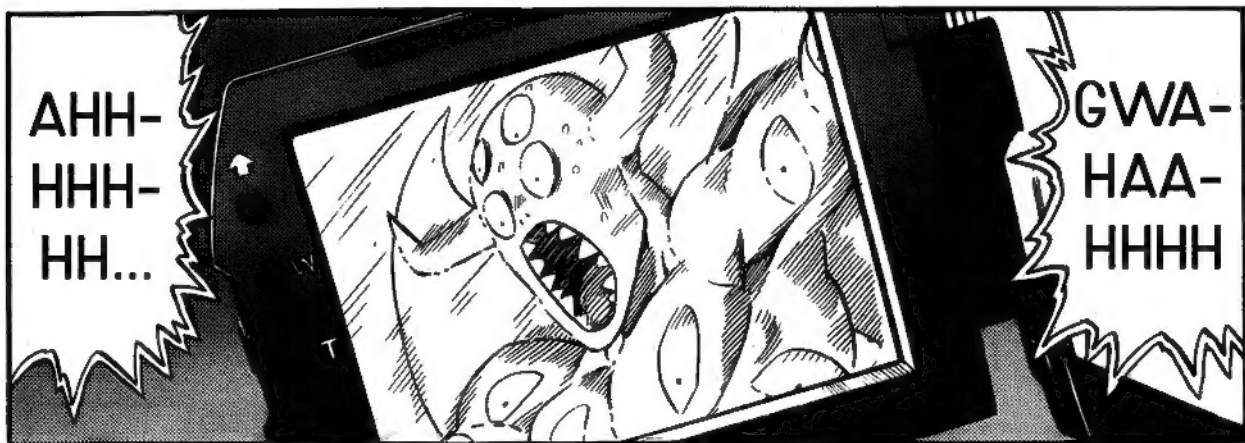

Impos-
sible!!

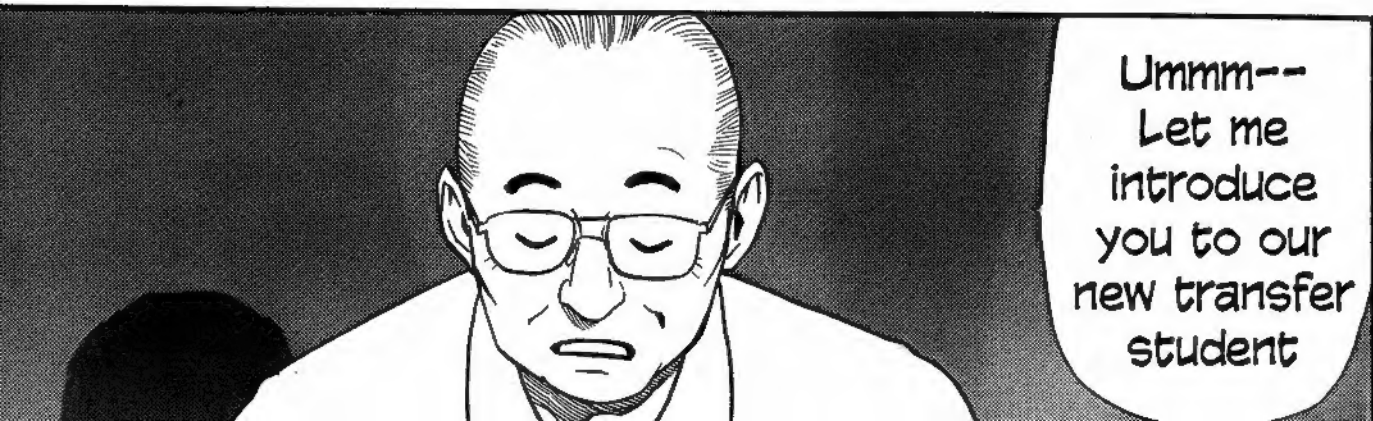

Who
in the
world
are
you,

How
could
I,
Count
de
Mon,

little
girl--

be driven
to my
wits' end

187 cm

Hey--
How tall
are
you?

D-Do
you have
a girl-
friend?

No

Do you
play any
sports?

Yeah,
I guess

Karate,
Judo,
Wrestling,
Kendo,
Brazilian
Jiu-jitsu,
Kickboxing,
Koppo,
Aikido,
Capoeira,
Martial Arts

Daichi
Oogami

I had
move here
because
of my
dad's job

Nice to
meet
you

Looks evil--

Uwah ...

His eyes are scary...

Uh-oh

A martial artist?!

Yeah... He's a real man,

unlike the other boys in our class

Hey... Isn't he kinda cool?

Looks buff

about our secret...?

What should we do...

How can they hate me so quickly?

Huh?
All of the guys are making faces at me

The
Great
Pyramid
of OTL!!!

You
got it,
Rep!!

This is
so sad in
more than
one way

SFX: HAHAHAHAAAAHA

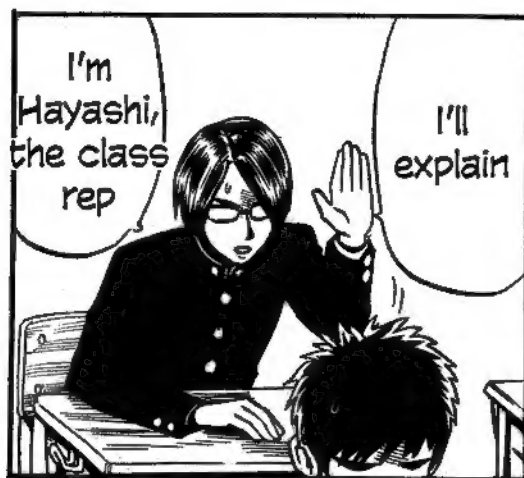

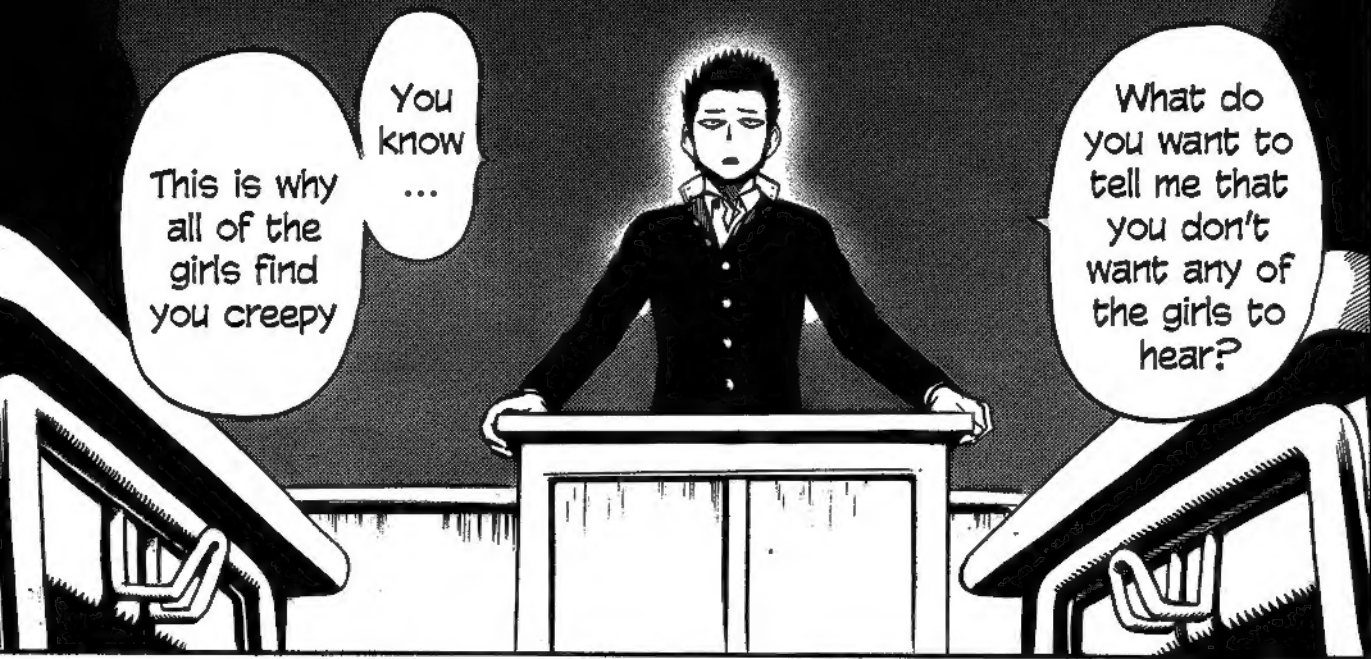

How do you
like them
apples?!
Can you bear
to attack us
when we're
this humble?!

No matter
how cold-
blooded you
are, you have
to listen
to us!!

What did
you want
to talk to
me about?

So?

But that's not why she's special!!!

Well, her face is certainly within the 70th percentile in terms of cuteness!!

Who're you to judge?

Is she an idol?

Special?

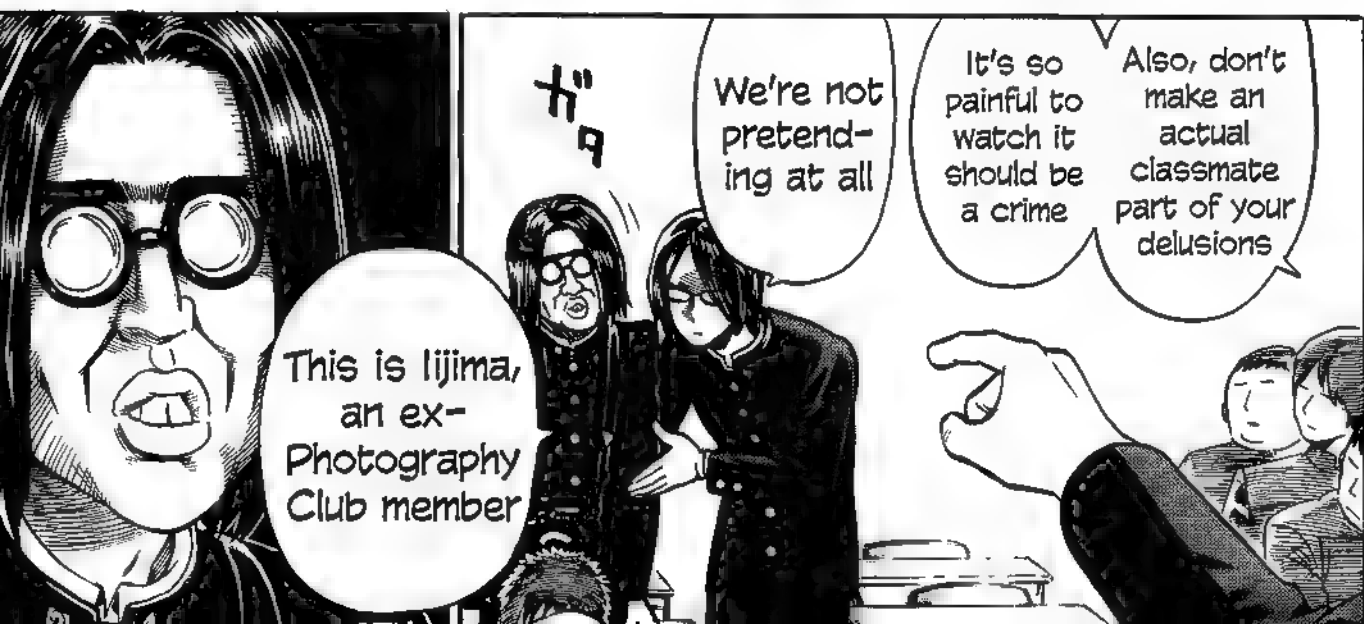

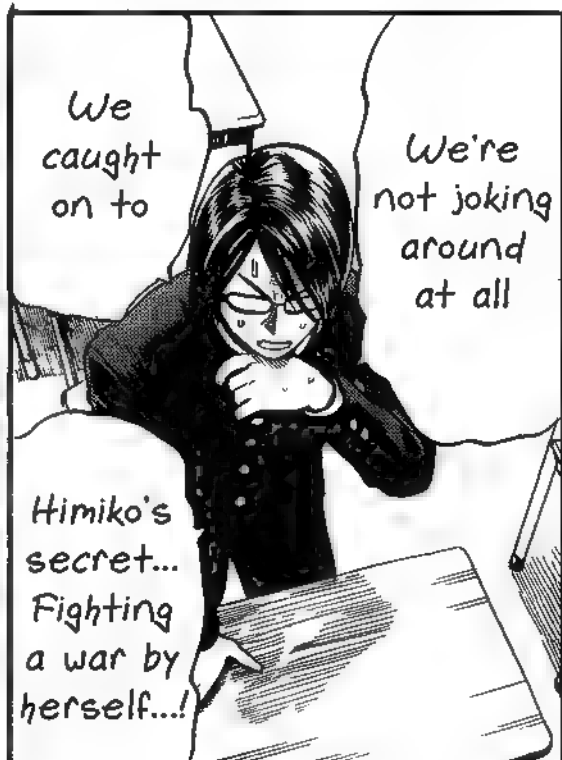

A holy warrior who fights in the shadows

to protect us from invaders from another world!!!!

Yes, you've guessed it...

She's a "Battle Angel"

Iijima was so shocked that he showed the video to all of the boys in our class...

He caught Himiko fighting a demon!

Then, we used the tracking device he had planted in her bag to check it out with our own eyes...

but one day, he caught her in a private moment

He has recorded Himiko without her permission for a while now...

Why aren't you in jail?

However, no one knows about her battles, and she never talks to anyone

Half of her class knows

So we're respecting her wishes and doing nothing more than watching over her

What we saw was just as shocking as the footage...

That was the truth we had stumbled upon!!

Why aren't all of you in jail?

**We'll keep
this a secret
among us,
the boys of
Class 2-3!**

**We'll
never do
anything
that would
bother her!**

**We'll only
watch over
her!**

**That leads
me to the
rules we
made!**

**Will you swear
to carry this
secret to your
grave?**

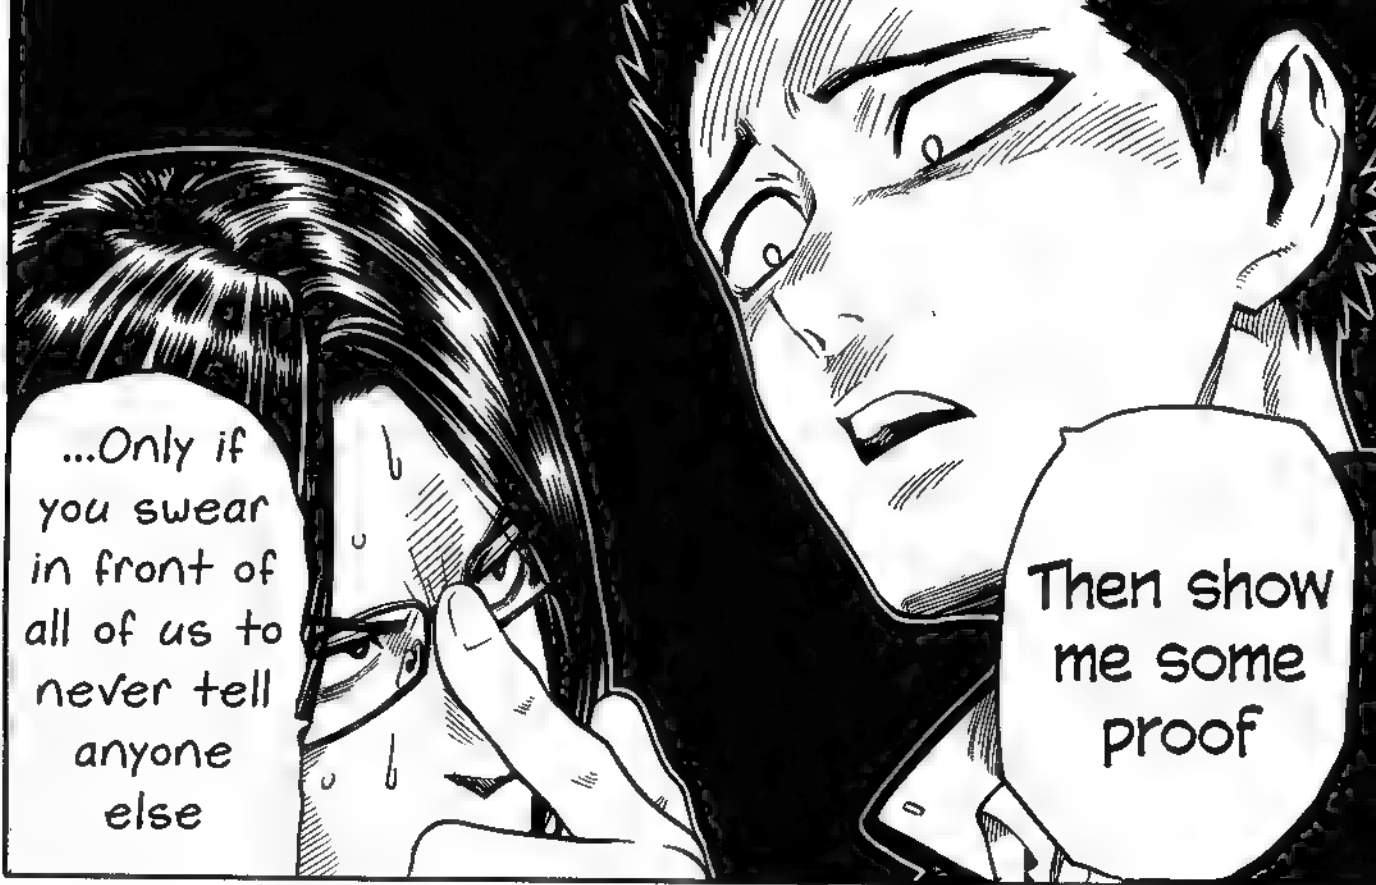

**That's
where you,
the transfer
student,
come in**

Himiko
Natsu-
no's
secret

That's
why
we've
told you

**Now that
you're a
member
of this
class,
you must
do it!**

Nay!

umm...
Oogami?

Why did
you want
to meet me
on the
roof,

Or are
you just
being
stalked?

Natsuno,
are you even
fit enough to
fight against
demons?

H-

How do
you...?

They're in
the same
class,
after all

You're
afraid
because
you can't
run away,
right?

Do you
want me
to chase
them
away?

I've heard
that you're
always
being
watched

I can't get
a normal
civilian
involved
in my war
against the
demons!!

Thank
you...
But I'm
sorry...

?!

She's
in on
the joke
too!!

So I'm the
only victim
here!!!

I have to use
magic to erase
the memories
of those who
find out...

I'm so
sorry

I GOTTA GO
BUY LUNCH

OH, IS
THAT SO
WELL, SUIE
YOURSELF

What
is this
creature
...!?

...
Huh?

I...
I can't
take
this off

GRAA-
ARGH-
HHHHH

Wha
...!?

Got-
cha,
puri

Huh?

Hey, hey,
I can't keep
up if you go
this f--

Fire

Come on,
Himiko!
Let's run,
puri

SHAKE

SHAKE

Puri?

It's too
dangerous
for a
powerless
human

to know
about
demons,
puri

Mission
accom-
plished

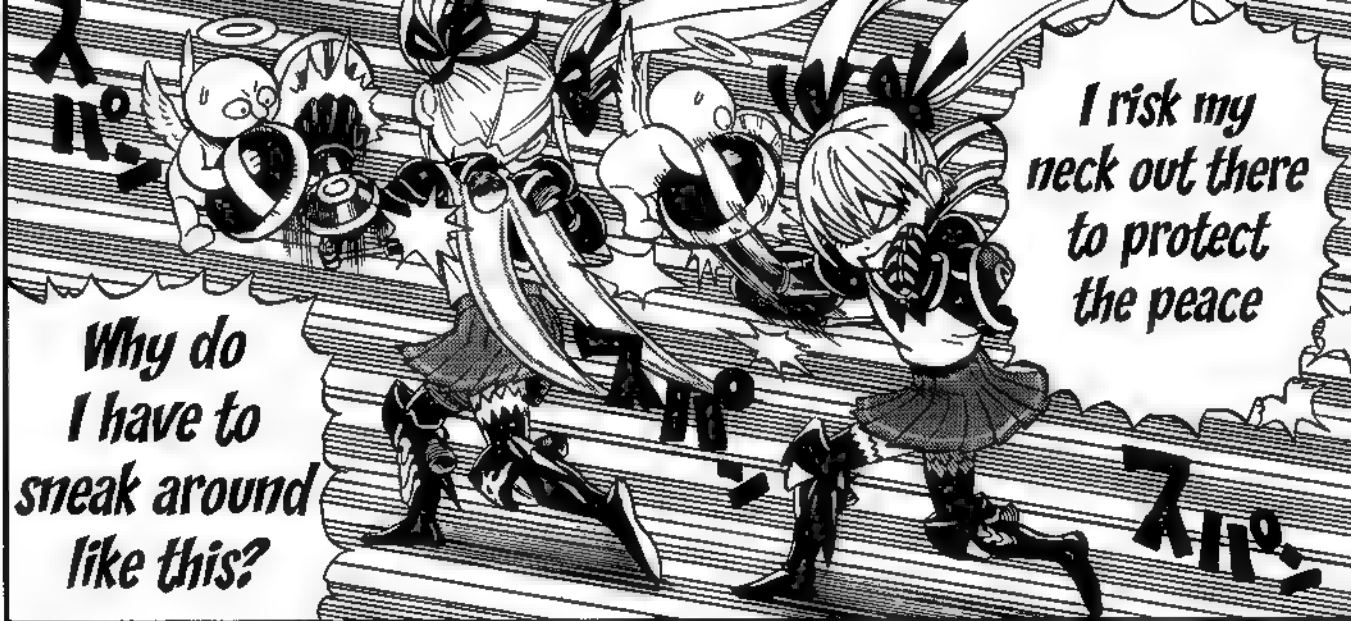

*Why can't
anyone
know about
how great
I am...*

*This
is so
frustrat-
ing~~*

Are you
still com-
plaining,
puri?

*But isn't
this
odd!?*

Why do I have to sneak around like this?

I risk my neck out there to protect the peace

I should be overwhelmed by my fans' earsplitting cheer

Me? Become an angel who saves people, puri!

Well... I can't help you if you think that angels are like idols, puri...

What a scam

This isn't like what you said when you scouted me

People should know about me!!

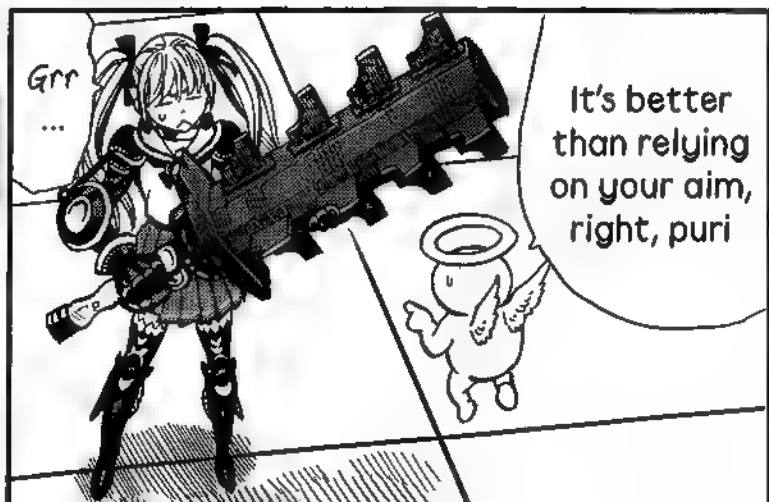

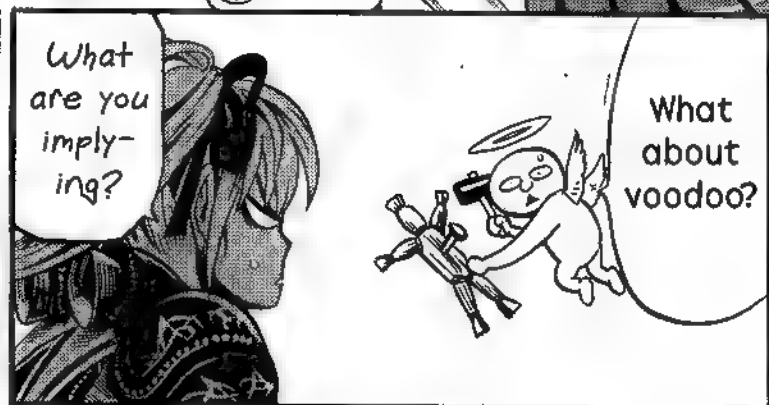

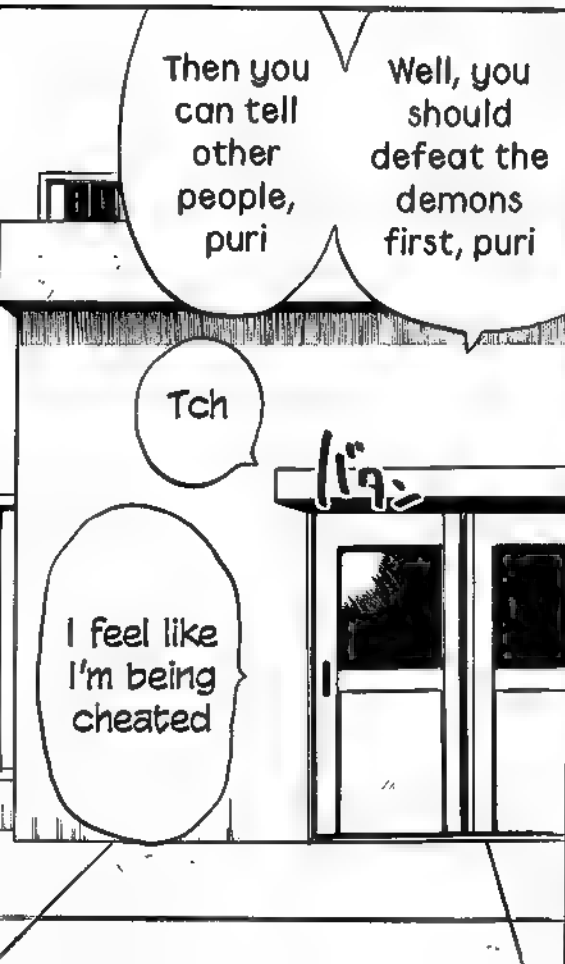

Is some praise too much to ask?!

because you're suited for close combat, puri

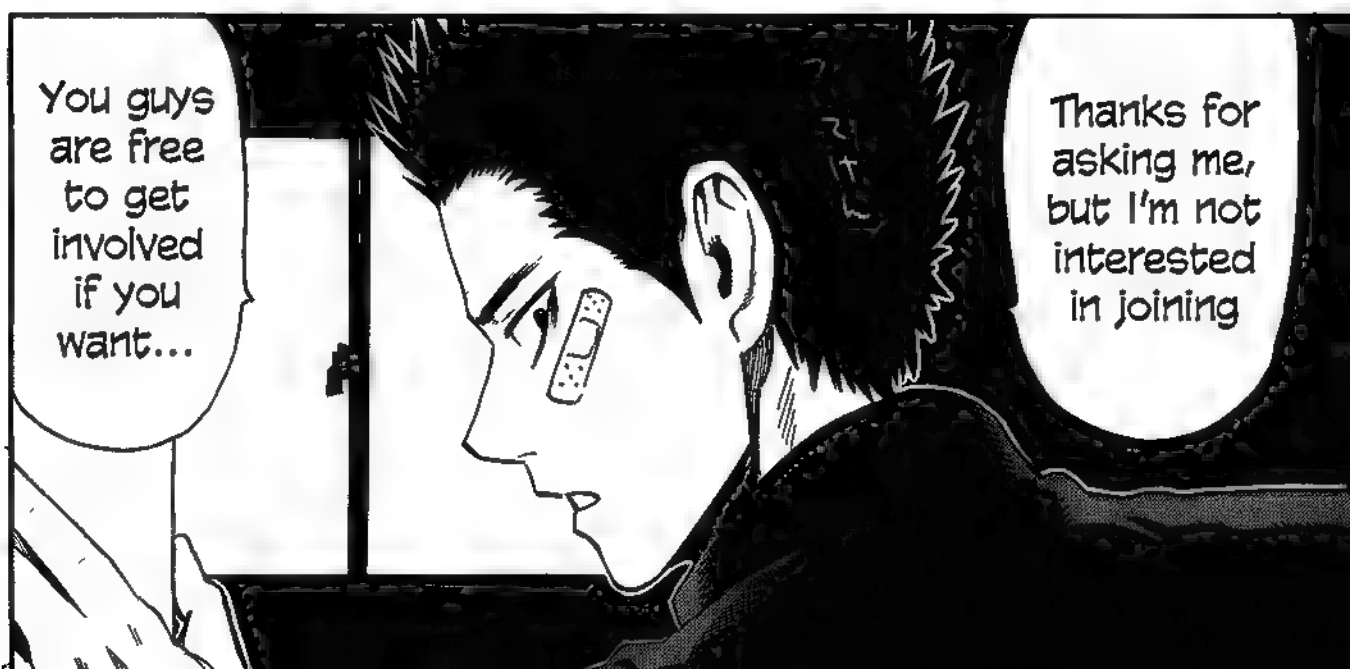

We can't get normal people involved

Here we go again, puri

It's my second day here and I already want to leave

but be careful

I'll just feign ignorance and live a normal school life...

Since she thinks that my memory has been erased,

Send him a love letter, then bring that up to interrogate him, puri

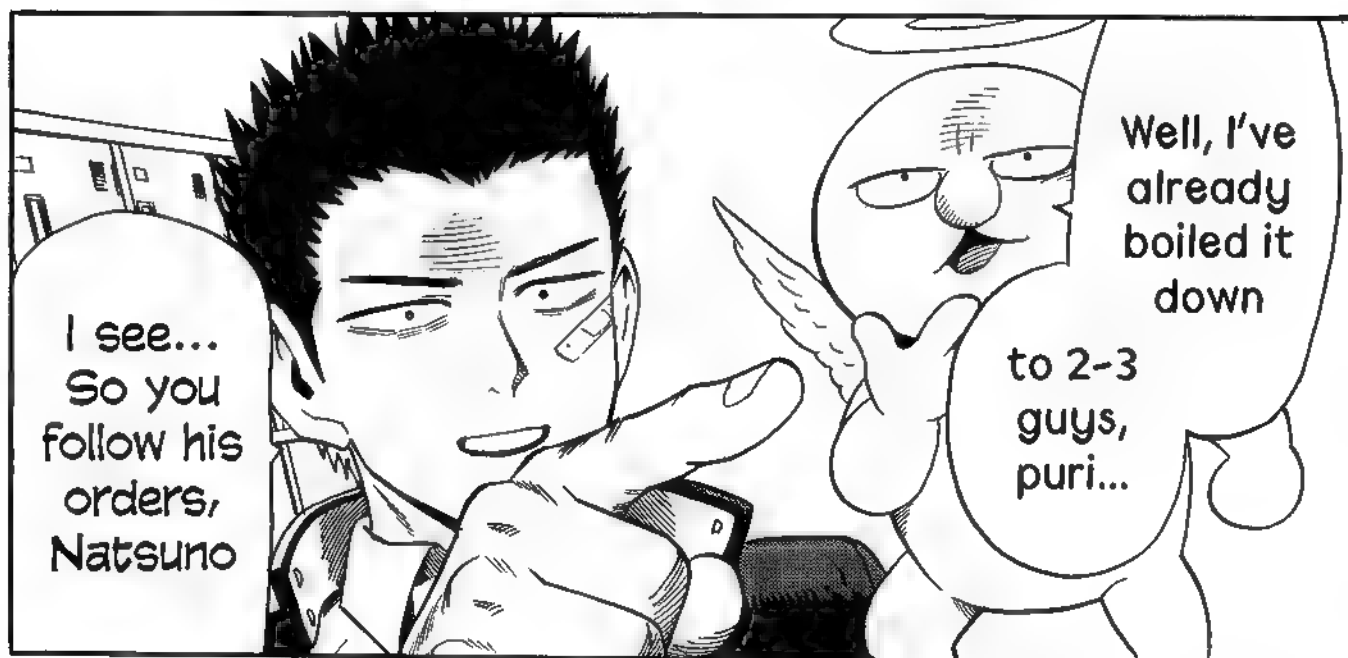

You'll easily score an amoeba like him by drawing emoticons and hearts, puri

What if he sends a letter back instead?

So many love letters... Just throw them all away, puri

I could get this many letters if I really wanted

SIGN: LIBRARY

Let's make things clear once and for all

I have something to talk to you about

Woah there, let's take it easy

Hey... Let go of Gaboo!

Do you really want to see a rice cooker at work from the inside?

Shut up

He's a demon, puri...

MMM!!!!

then Natsuno must have felt lonely because she didn't have anyone to talk about her troubles with

If this is all the work of this creature...

Sorry, Gaboo...

...I'll talk

Now there's nothing stopping you

Come on, Natsuno!!

First, who are you two?

Do you know what happens to humans who do these kinds of things, puri?!

I want to be a star

complicated feelings do you hold...

I...

I...

Just what kinds of...

I think I should be using my charm instead of hiding it after all

Oh?

See, aren't you completely absorbed in me right now, Oogami?

Hm?

Hey little girl, have you figured out what you're going to do after you graduate?

Gaboo appeared to me last year when I was going home

What a shallow backstory

Just listen to the sad backstory of this unfortunate heroine, me!

Why are my feelings so mixed right now?

He asked
me if I
could
defeat the
demons
and save
the world...
That's
when I
thought,

He told me
that I have
the one-
in-a-million
gift of a
"pure
heart!"
I'm also
capable
of wielding
the power
of an
angel...

but I
never
expected
that I
would
surpass
showbiz
and get
scouted
by
Heaven
I always
thought
that I
would get
scouted
one day ♡

As you can
tell, I'm
really cute,
and I have
a great
personality
to match

**"I knew
it"...**

That's
right...
Instead of
becoming a
pampered
star,

I became a
volunteer
who cleans
up monsters
that no one
has ever
heard of

I think
it's just
broken

W-Well, the
detector did
react to her
by blowing
smoke, puri

However,
I had to
fight
in the
shadows

Then my
days of
fighting
demons
with the
aid of
Gaboo
began

Don't you think everyone should be more thankful of me?!

I'm the one keeping humanity safe!

Well... her ambitions are pure enough

Pure heart ...?

...I guess you can say that, puri

SIGN: 7 BILLION FANS!!

for my inevitable fan club

Look I even made a banner

Wow

I'd become a social phenomenon if they would just put me on national TV!

No, they should praise me!!

But can you believe that I'm supposed to keep this a secret?!

A black and white manga-style illustration. In the upper half, a giant, dark, multi-limbed monster with a long tail is shown attacking a school building. The monster's limbs are reaching down towards the building. The school building is a multi-story structure with many windows, some of which are broken or missing. Debris is flying through the air around the monster. In the lower half, a character with spiky hair and a determined expression is shown from the chest up, looking upwards. The character is wearing a dark jacket with a light-colored collar. The background is filled with smoke and debris, suggesting a chaotic battle scene.

*It's
inva-
ding*

*this
school,
puri...!!!*

Huh?

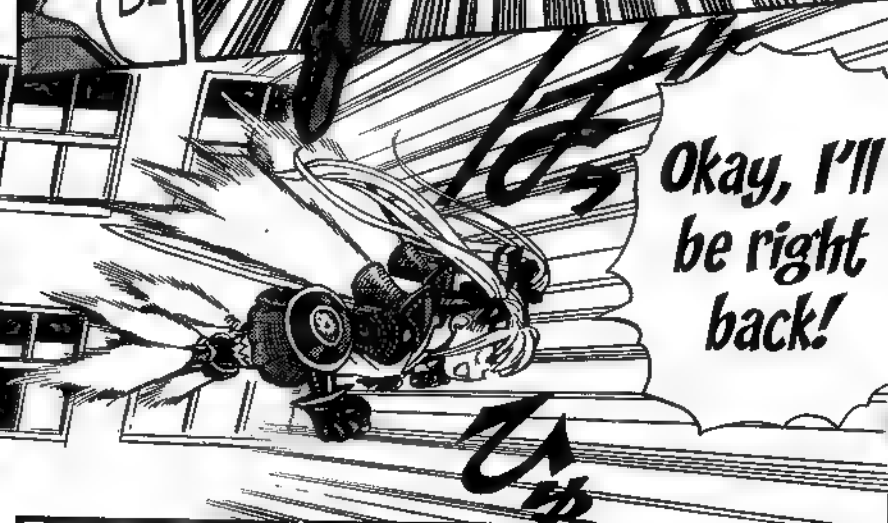

Oo-
gami

that the
demon is
a secret
fan too!

Don't
tell me

Earth
to
Himiko,
puri

Okay, I'll
be right
back!

Do you
mind...
introducing
me

to those
secret fans
later?

No...
I don't
mind

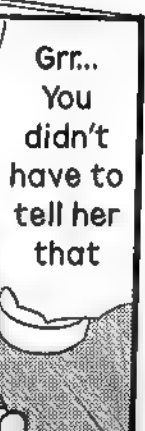

I'll get
away for
now

...Is
it that
tough?

Now she's
all distracted!
Her opponent is
a greater demon,
you know!

Grr...
You
didn't
have to
tell her
that

H-Hey,
take a
look,
everyone!

Himiko
is in the
school-
yard!

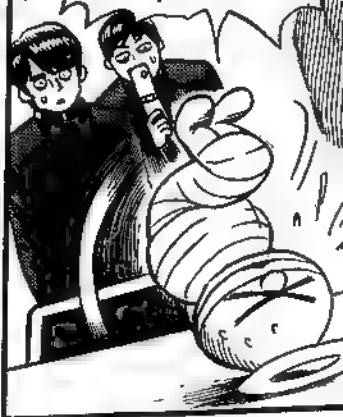

Now's
your
chance
to get rid
of him

He's
the one
keeping
you from
your love

See,
Hayashi

I've been so
focused on the
demons that
I didn't spot
you stalkers!
I'm such a failure
of an overseer,
puri...

Am I
seeing
things...

or is
she...
in big
trouble

I-I've
never seen
anything
like it
before!!

What's
that...

YOU'RE NOT
AS STRONG AS
THEY SAY...
YOU'RE JUST
A HUMAN
AFTER ALL

SO
YOU'RE
THE
ANGELS'
DOG

Do you
want me
to beat
you up in
front of
every-
one?

Hmph...
How nice
of you to
come to
school!

So this
is a
greater
demon
....!!

PHOO

Natsu-
no

Grr

Uwah

That
demon's
strong

She's
getting
pushed
around

Himiko
is acting
strange
too

Himi-ko

This is bad

Ahh...

We can just alter the survivors' memories to cover things up, puri!!

Abandon the students and go on the offensive, puri

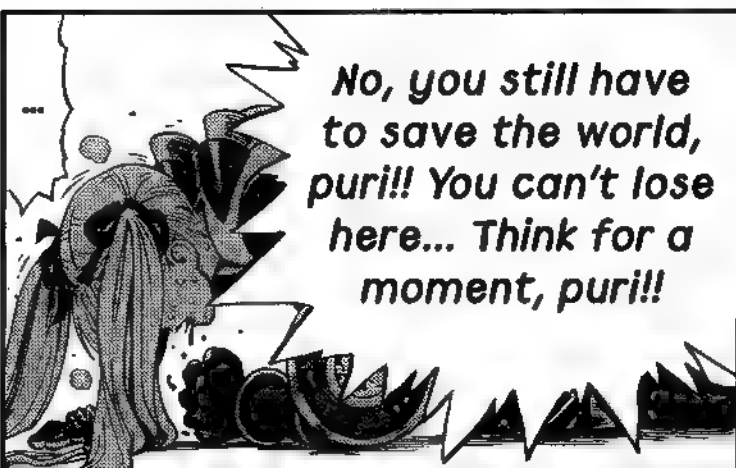

So don't worry about sacrificing a few humans, puri!!

No, you still have to save the world, puri!! You can't lose here... Think for a moment, puri!!

You still have to save many more humans...

Wha-...

This will
be my
best
perfor-
mance
yet

I'm just
getting
started

Hah

.....

Woah
there

Hey,
Hayashi

Huh?

Hahah

Why are you here?
Run away

Fans shouldn't
get on the stage

...Oo-gami?!

Look at you,
you're a mess

We'll be decoys
for you

This would be much
more exciting
with backup dancers

but you said
that normal
civilians can't
get involved,
right?

I would like
ask the fan club
behind you
to help
Natsuno
out,

Hey,

creepy
over-
seer
angel

WHAT
ARE YOU
SAYING,
HUMAN

Sure,
I'm use-
less by
myself

...

Oh
yeah--
You guys

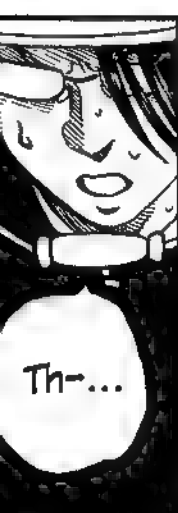

that
you're
not just
a bunch
of stalk-
ers

Now
is the
time
for you
guys to
prove

I'm a fan
now, so
I'm going
to go
"cheer"
for her

Huh?!

Th-...

They
should stay
out if they
know what's
good for
them, puri!

No way, puri!
I can't have
them getting
in the way of
Himiko or
getting killed,
puri!!

Hear that, boys?! We just got approved!!!!

Right here!

I hereby proclaim the founding of the Official Himiko Natsuno Fan Club!

Right now!

than do nothing to help Himiko!

That's not true! We'd rather die

That's what the fan club is for

That's right

I want to help her!

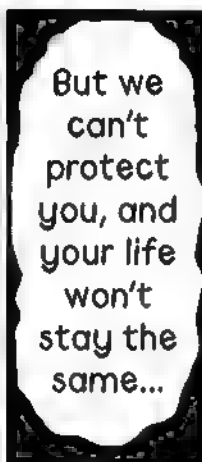

If you want to erase our memories, then now's the time!

Come on!

We're gonna go help her!

We're not afraid ...

But we can't protect you, and your life won't stay the same...

If you like her that much, then suit yourself, puri!

...Ahh, okay!! I get it, puri!

And
here's
our first
club
event!!

Woo-
hoo

Anything
is fine!
Punch him!!
Get in
his way!

Everyone,
help
Himiko!

They're
your
secret
fans

Woah
hhh

Why are
the boys
in our
class...!?

Why...?

Himiko

SFX: WOAH HH

Every-
one...

Himiko--!

うおおお

Hi-

Huh?

I'm not
"Himiko"

I'm "Lady
Himiko"

EVAPORATE

You
should be
watching
me too ♡

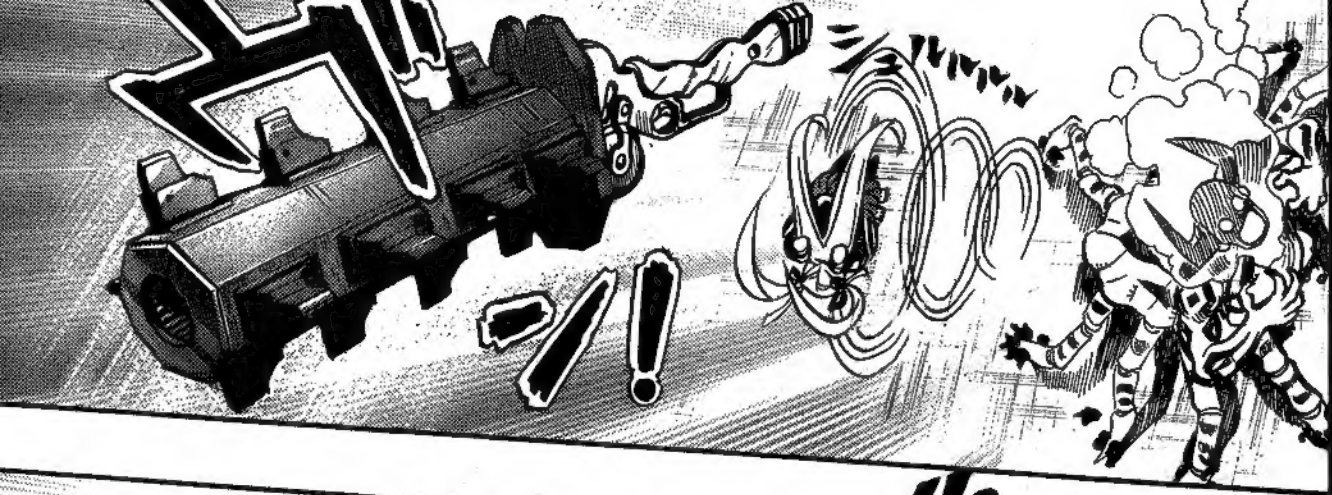

GRRAAH-
HHHHHH

He's
on the
ropes!!

Every-
one!
Hold him
down!

Leave
it to
us

Woo-

Even
I can't
miss
at this
range

That's
"Lady
Himi-
ko" to
you!!

Himiko

AUGH

The Film Club was just making a movie?

What?

Lady Himi-ko!!!

We love you

We've always watched from far away...

Hi-... Lady Himi-ko!

Please let us be by your side to cheer you on!

I guess that's fine!

...Well,
